Short Term Missions - Application Form

Statement:

We at the Greek Community Church sense God's calling to be an integral part of sending His saints out as missionaries, as ambassadors of Christ bearing the great treasure of the Gospel of Jesus Christ. According to the great commission by Our Lord in Matthew 28, we are called to take His message to the ends of the earth, making disciples of all nations in the name of the Father, the Son and the Holy Spirit.

Hence, we as a church family consider it a privilege to support missionaries through our prayers, and financially as the Lord enables us, as you go out as representatives of Jesus Christ. Below is some information we would like for you to fill out in order for us to prayerfully consider and process your request for support.
